**The purpose of our high school summer trip is three-fold:**

- Connect with God. This trip encourages and provides an opportunity to take the next step in building a lasting faith in Jesus.
- Connect with each other. Traveling and working together with our trusted adult leaders reinforces life-long relationships.
- Move outsiders to insiders through a meaningful and memorable shared experience.

Our group will spend one night in Kansas City, on our way to Branson, for a service project or prayer service. From there we'll travel to a VRBO home in Branson and attend the Queen Esther performance at the Sight & Sound Theatre. On Sunday we'll attend a church service and take a sabbath rest before returning on Monday.
